GOING TO CAMP

Every year in June, my brother and I go to camp. We go to camp for two weeks. Our parents drive us to the camp. The camp is almost one hundred miles from our home.

Camp is great. We get to stay in cabins. There are twelve boys in each cabin. We have bunk beds. I sleep on the top bunk, and my brother sleeps on the bottom bunk. Sometimes we have pillow fights with our friends in the cabin.

During the day, we can swim, play tennis, ride horses, hike, or fish. My brother and I like to do all of those things. We eat our meals in a dining hall. The food at our camp is always good.

The best thing about camp happens at night. We have campfires after dark every night. We sing songs, roast marshmallows, and listen to stories. Our counselor tells great stories.

We will be going to camp soon. It will be so much fun. I can't wait!
